Wifi for guests, employees & affiliates

Eduroam stands for **education roaming**, a global network guest acces agreement for the academic society.
IIMCB is also a part of the consortion, which enables our guests to benefit from an easy to use access to WiFi infrastucture at IIMXB, whereas at the same time our Employees & Students benefit Accordingly on participating campuses in throughout Europe and other locations.
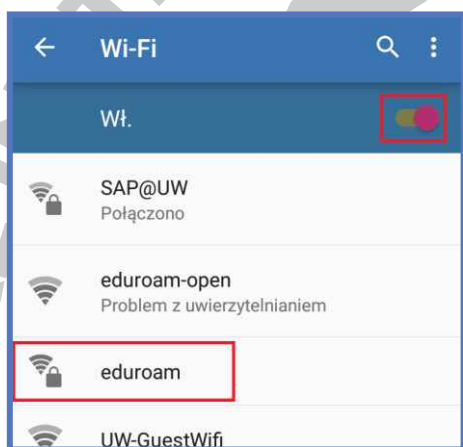

| Network name (SSID)	Login	Password
eduroam	**inazwisko@iimcb.gov.pl** (if you're a guest, refer to your Home institution's instructions)	**same as e-mail pass** (if you're a guest, refer to your Home institution's instructions)
